

# Welcome to our open house day at our new Houston facility!

Thursday April 3 rd., 2008, 10:00 am to 4.00 pm

Live demonstrations!

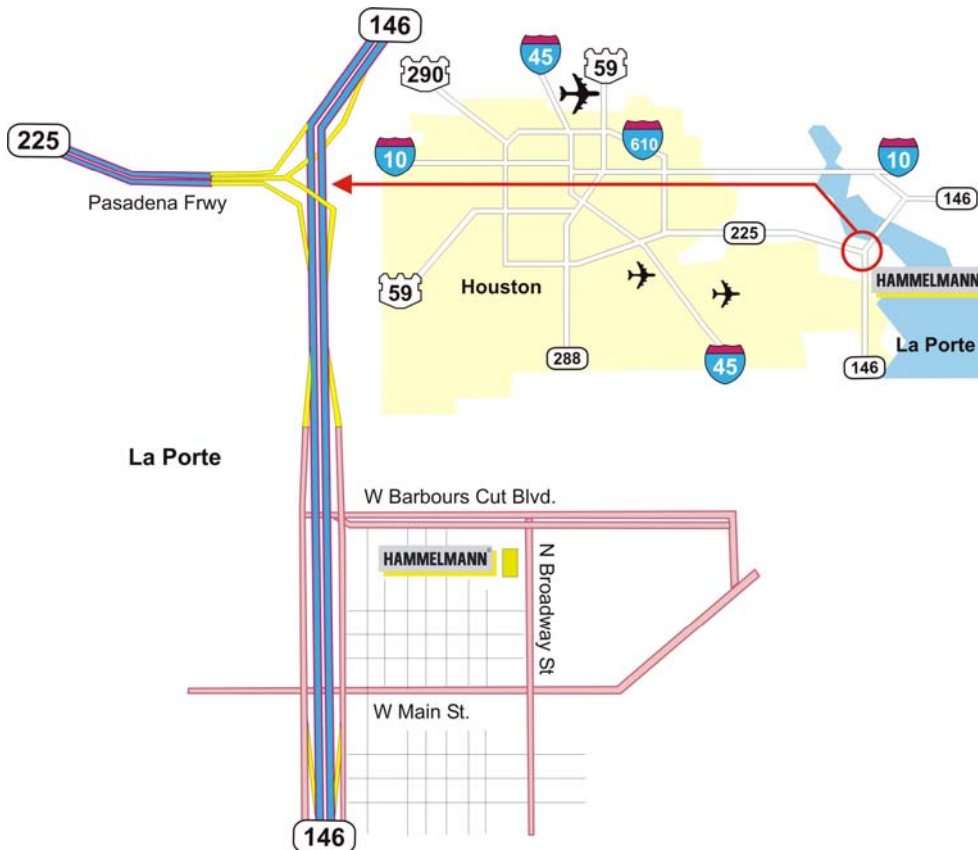

Enjoy some  
boiled crawfish!

See our 1000 HP, 20,000 PSI pump unit running a 3-D tank cleaning head. You will also be able to see a 55,000 PSI jet cutting system in action.

We look forward to seeing you and wish a safe journey!

Please register your (and your colleagues) attendance by e-mail before March 28 th. to
